

## Water Equipment Pick up

Good afternoon Students,

**April is equipment pick up only.** Please know that we will be coming by and picking up ALL equipment (cooler, empty or full jugs) on your assigned day.

Please take a look at this schedule so you are prepared and know what day we are picking up equipment. 3 cases of bottled water will be left to each student and each case has 24 bottles that are 16.9oz.

\*Place equipment out the night before or the morning of by 7am. If you are concerned with leaving it outside of your door, you can submit a photo of it here to our email [info@uandss.com](mailto:info@uandss.com).
