

Micro-fridge Customers

Hello Students

Thank you for being a customer of ours this past academic year 😊. We are gearing up for pick ups of the Micro-fridge units. Please see below for the guidelines!

- Fridges and Microwaves will need to be cleaned, defrosted and the doors left open to prevent any mold.
- Units will need to be left **INSIDE** of the rooms before departure.
- If the unit is not cleaned, there will be a \$25.00 cleaning fee
- USS will be picking up units **AFTER** the University closes, there is no need to schedule a pick up date with us.
